

If I Was Your Girlfriend (Main)

Nicole Wray

[Chorus: x 2]

If I was your girlfriend (girlfriend)
Imagine what you could see now (see now)
I want to take my clothes off (clothes off)
Just to have my body hot and ready to freak now (freak now)

Now I don't care what they say
Don't even mean a thing baby
Don't care what they do
Long as you know I want you
It's so hard for me
To stand back and let you get away
Now that you know how I feel for you boy
You can set my body free

[Hook]

Take me baby I'll light your fire
I will be your only desire
(Take me baby I'll light your fire
I will be your number one supplier)

[Chorus: x 2]

You make me feel so good
Won't you come close take my heart away
Don't get misunderstood
I think I'm not ready for you baby
See a girl like me
I never throw my feelings on the table
But, Now that you know how I feel for you boy
You can set my body free

[Hook]

Take me baby I'll light your fire
I will be your only desire
(Take me baby I'll light your fire
I will be your number one supplier)

[Chorus: x 2]

[Bridge]
I said it before I'll tell you again
Havin' to wish I was your girlfriend
Ready or not if you were the one
I'll have you wishin' I was more than a friend
Repeat 2x

[Chorus: x 2]
