# Fly

## Justice Crew

Yeah, we can fly away
Aha, wanna hit this up, baby let's get stupid
Aha, baby take my hand tonight
You and I can flyThe way you moving, (yeah)
Brings me close to it
Touching on your hips, (your hips)
Making my new thang
Tasting your lip gloss, aha
Got me just thinking
Can we boom, boom, boom, boom, boom, that's right
To the beat that you're playing
We could just let it go for the day, let it go, babe
Be your wings I can take you away
Aha wanna hit this up, baby let's get stupid
Aha wanna take you down tonight, wanna take you down
Aha, tell me what's control if you just can't lose it
Aha, come and take my hand tonight
You and I can fly
Oho, oho you and I can fly
Baby take my hand tonight
You and I can fly
Oho, oho you and I can fly
Baby take my hand tonight
You and I can fly
Just back it to me, (to me)
You know I got you, (got you baby)
Teach you a few thangs, (few thangs)
You know I get you
Now that I'm locked in, (locked in)
I was just thinking
Can we boom, boom, boom, boom, boom, that's right
To the beat that you're playing
We could just let it go for the day, let it go, babe
Be your wings, I can take you awayAha, wanna hit this up, baby let's get stupid
Aha, wanna take you down tonight, wanna take you down
Aha, tell me what's control if you just can't lose it
Aha, come and take my hand tonight
You and I can fly
Oho, oho you and I can fly
