

Arctic Monkeys

Well, I wrote my number down.
I'd never wrote it down before.
I was gonna bring over like something from a film but
I didn't have the bottle at all. Well I had a look and you kept staring.
Your head pairing up with mine
Cos your so pretty and I'm so shy.
You proper did give me the eye though im sure you did
Well I went outside, couldn't say i tried.
And I felt regret.
But in a flash yeah i'd dashed back in.
Cos the ship had'nt sailed yet. And when i did I couldn't see your face
I could see your mates but that wouldn't do.
I dashed around to find you
But you were nowhere to be seen
Oh no nona na na na na na na na na na na
na na na na na na na na na na na
na na na na na na na na na na na
na na na na na nooooo Well yeah she flew away.
She seemed like weeks or months away.
(missing lines) Yeah but i learned my lesson though.
Your so pretty and i'm so shy
