

Valley Of The Kings (live)

Gamma Ray

Father can you hear me, did you talk to mother earth
What did they say, what did they see, now ... is time for your rebirth ?Open up the silent center of your mind,
I know want to know the future of your kindIn the valley of the kings, when the storm breaks loose again
Then the gods return to fight, for the future in their lives
In the valley of the kingsOh mother do you hear me, did you talk to father moon
I don't want to leave my brothers in this temple of their doomOpen up the silent center of your mind,
I now want to know the future of your kindIn the valley of the kings, when the storms break loose again
Then the gods will spread their wings, in the valley of the kingsRa vvite, deus sanktus, ra vite
Ra vite, revertate, ra vite[Solos: Kai / Both / Kai / Henjo]Oh mother earth do you believe there is a place for us
to go
Come set us free again and let us fly away and give us hopeThere'll be a time for us to fly to our thrones up in
the skyIn the valley of the kings, when the storm breaks loose again
Then the gods will spread their wings, in the valley of the kings
