

Your's Is No Disgrace

Yes

Yesterday a morning came, a smile upon your face
Caesars Palace, morning glory, silly human race
On a sailing ship to nowhere, leaving any place
If the summer change to winter, yours is no disgrace Battleships confide in me and tell me where you are
Shining, flying, purple wolfhound, show me where you are
Lost in summer, morning winter, travel very far
Lost in musing circumstances, that's just where you are Yesterday a morning came, a smile upon your face
Caesars Palace, morning glory, silly human, silly human race
On a sailing ship to nowhere, leaving any place
If the summer change to winter, yours is no
Yours is no disgrace, yours is no disgrace, yours is no disgrace Death defying, mutilated armies scatter the earth
Crawling out of dirty holes, their morals, their morals disappear, yeah Yesterday a morning came, a smile upon
your face
Caesars Palace, morning glory, silly human, silly human, silly human race
On a sailing ship to nowhere, leaving any place
If the summer change to winter, yours is no
Yours is no disgrace, yours is no disgrace, yours is no disgrace Battleships confide in me and tell me where you
are
Shining, flying, purple wolfhound, show me where you are
Lost in summer, morning winter, travel very far
Lost in musing circumstances, that's just where you are
