

Thoughts of a Dying Atheist

Muse

Erie whispers
Trapped beneath my pillow
You won't let me sleep
Your memories I know you're in this room
I'm sure I heard you sigh
Floating in between
Where our worlds collide
Scares the hell out of me
And the end is all I can see
And it scares the hell out of me
And the end is all I can see
And I know the moment's near
And there's nothing we can do
Look through a faithless eye
Are you afraid to die?
It scares the hell out of me
And the end is all I can see
And it scares the hell out of me
And the end is all I can see
It scares the hell out of me
And the end is all I can see
And it scares the hell out of me
And the end is all I can see
