

Don't Pretend With Me

Vince Gill

They say you'll lie, they say you'll cheat
And your kisses taste so sweet
If you're not in love then let me be
No baby, don't pretend with me That honky-tonking life you lead
With neon lights you'll never leave
Give me one reason to believe
But baby, don't pretend with me Your foolish heart will never change
Well, I want no part of your love-sick games
I know you're wild and runnin' free
So baby, don't pretend with me I'll lay my poor heart at your feet
If you'll leave behind those lonely streets
Oh, we could make sweet memories
So baby, don't pretend with me
