

# Nobody Knows You When You're Down and Out

## Derek and the Dominos

Once, I lived the life of a millionaire  
Spent all my money, I just did not care  
Taking all my friend out for a good time  
We bought bootleg whiskey, champagne and wine  
Then I began to fall so low  
I lost all my good friends, I did not have nowhere to go  
Never get my hand on a dollar again  
I'm gonna hang on to it until the eagle grins  
'Cause no, no, no, nobody knows you  
When you're down and out  
In your pocket [Incomprehensible], not one penny  
And as for friends, you don't have any  
When you finally get back upon your feet again  
Here comes everybody sayin' they wanna be  
A good old long-lost friend, [Incomprehensible] mighty strange  
Nobody knows you when you're down and out  
I said, when you finally get back on your feet  
Everybody wants to be a good old long-lost friend  
You know it's mighty strange, yeah, down and out  
Nobody knows you, nobody knows you  
Nobody, nobody knows you when you're down and out
