Love Like Mine

Nashville Cast

(feat.Hayden Panettiere)

So you think that you're the one who's up in score
Just cause you're the first one walkin' out the door
Well, take it when you leave
I don't need your sympathy

I'm gonna stay up, drunk on wine
Hurt like hell
Ugly crying black mascara tears
I'm gonna lock my door
Sleep with my phone
Miss you bad for a month or so
But let me tell you somethin', my dear
I'm gonna be just fine, but you're never gonna find
Another love like mine

Oh no, no

See, I think you think that "new" means "better off"
But the proof's in the pudding once the shine is lost
So go and get yourself
A little taste of somethin' else

I'm gonna stay up, drunk on wine
Hurt like hell
Ugly crying black mascara tears
I'm gonna lock my door
Sleep with my phone
Miss you bad for a month or so
But let me tell you somethin', my dear
I'm gonna be just fine, but you're never gonna find
Another love like mine

It's starting to sound like the good idea
The more we're standin' here

I'm gonna stay up, drunk on wine
Hurt like hell
Ugly crying black mascara tears

I'm gonna lock my door
Sleep with my phone
Miss you bad for a month or so
But let me tell you somethin', my dear
I'm gonna be just fine, but you're never gonna find, no
I'm gonna be just fine, but you're never gonna find, no
I'm gonna be just fine, but you're never gonna find
Another love like mine

Oh no, no
Never gonna find another love like mine
Oh no, no
