

The Birds and the Bees

Marcel Romanoff

I hope you know i swear to god
i hope you know that this won't stop
(god damn, just another heartbreak)

-CHORUS-

i swear to god i won't stop until your shakin
-trust me baby you know i want you to-
and let me slide into you please baby
-and if you're screamin, than i'm screamin too-
if you want it let me bring it, let me sneak into your house tonight
-breathe in-

and i'm coming to these terms that my heart won't beat anymore
-i just can't get it-

sing along sing if you want, ten more seconds till we're through the door.
and it's a dance party everyone's looking for, been drinkin tonight and i won't stop, when it's a quarter to four
daylight is breakin

-CHORUS-

i'll call you in the morning if you think it's right
is it over? is it over...

it was a dance party, everyone looked just right, i played you all night, would you believe me if i told you that i
want you, and everyday i felt this way? would you take me to the place you know the one that leaves me all
alone... wait right here just for a minute we'll talk a little just about it
i will take it slow, i won't let you go.

-CHORUS-
