Can It Be You?

North of Nine

[Verse 1]
I don't want it like the last time
When you took it and you broke mine
Oh baby you got what I needInsanity in an open room
It's just me me and you
But oh baby you what I need[Pre-Chorus]
I need someone to love me
Cause I'm burning alive
Need someone to hold me
Cause I'm losing my mind[Chorus]
I don't need a crush
I don't need a touch
It ain't never enough
Can you help me?
I need someone to love me
Can it be you?
Can it be you?
Can it be you?I try my best to punch you first
But all you gave me baby was your worst
But oh baby baby you got what I needAnd I'm beggin' please
I'm beggin' please[Pre-Chorus]
I need someone to love me
Cause I'm burning alive
Need someone to hold me
Cause I'm losing my mind[Chorus]
I don't need a crush
I don't need a touch
It ain't never enough
Can you help me?
I need someone to love me
Can it be you?
Can it be you?
Can it be you?I really need someone
Someone to love me
Not to just leave me here aloneI really need someone
Someone to hold me
Don't you forget me no[Pre-Chorus]
I need someone to love me
Cause I'm burning alive

Need someone to hold me
Cause I'm losing my mind[Chorus]
I don't need a crush
I don't need a touch
It ain't never enough
Can you help me?
I need someone to love me
Can it be you?
Can it be you?
Can it be you?[Pre-Chorus]
I need someone to love me
Cause I'm burning alive
Need someone to hold me
Cause I'm losing my mind[Chorus]
I don't need a crush
I don't need a touch
It ain't never enough
Can you help me?
I need someone to love me
Can it be you?
Can it be you?
Can it be you?
Can it be you?
