Princess (Jessie's Girl)

Matt Nathanson

Oh princess
You make the party
With your hands
In your pockets
And your innocent eyes
And all those things
Running around in your headOh princess you make the party
You've been everybody's darling now
Everybody's win
Bold for the boys who
Keep you guessing
And all those things
Running aroundAnd "all my pauses they're all stops anyway"
You would say,
And 'all pauses they're all stops anyway
And I could really use a win'Oh princess
You act like the answer
With your hands
All over me
Promising to be hereWhen the world comes down
With all those things
Running aroundAnd "all my pauses they're all stops anyway"
You would say
And "oh, I could really use the win
I could really use the win"I don't mind, baby
Just spill your secrets on me
I don't mind, baby
Just spill your secrets on me
I don't mind, babyOh princess.
You're ready for greatness
All edited and weightless
Never more alive
And oh dear
How they'll whisper your name
In time
