Whores to Oblivion

Cathedral

World is falling before our eyes
We've sold our souls for empty lies
Indoctrinations circle writhes
In persecuted brainwashed mindsMaster of this empty void
Controls your thoughts, all love destroyed
Hell is worth it for heavens prize
To war and pain desensitizedWhores to oblivion
Rising faster
Death to Utopian
War is masterPropaganda has bought your mind
An afterlife you fantasize
The social ladder that you have climbed
Reality left long behindCarry me away with the setting sun
My dream of death has just begun
Pain of mind destruction calls
This seething cage I must break fromWhores to oblivion
Rising faster
Death to Utopian
War is masterWhores to oblivion
Breeding faster
Death to Utopian
War is masterApocalypse is coming today
Or was it supposed to be yesterday?
The world is falling into it's grave
Oh, lord have mercy, can we be saved? NoWhores to oblivion
Rising faster
Death to Utopian
War is masterWhores to oblivion
Breeding faster
Death to Utopian
War is masterWhores to oblivion
Rising faster
Death to Utopian
War is masterWhores to oblivion
Breeding faster
Death to Utopian
War is masterWhores to oblivion
Whores to oblivion
Whores to oblivion

Whores to oblivionWhores to oblivion
Whores to oblivion
Whores to oblivion
Whores to oblivionWhores to oblivion
Whores to oblivion
Whores
