# What You Feel

## Mini Viva

Why'd you run away?
Don't you like my style?
Why don't you come and play?
I guarantee a great big smileI come from the imagination
And I'm here strictly by your invocation
So what do you say
Why don't we dance a while?I'm the hottest swing, I'm the twist and shout
When you gotta sing, when you gotta let it out
You call me and I come a-runnin
I turn the music on, I bring the fun in
Now were partyin , that's what its all aboutCause I know what you feel, girl
I know just what you feel, girlAll these melodies, they go on too long
Then that energy starts to come on way too strong
All those hearts lay open that must sting
Plus some customers just died combusting
That's the penalty when life is but a songYou brought me down into this town
So when we blow this scene
Back, we will go to my kingdom below
And you will be my queenCause I know what you feel, girl
No, you see, you and me wouldn't be very regal
I'll marry you, girl
What I mean, Im fifteen
So this queen things illegalI can bring whole cities to ruin
And still have time to get a soft-shoe in
Well, that's great but I'm late
And Id hate to delay herSomethings cooking, I'm at the griddle
I bought Nero his very first fiddle
She'll get pissed if I'm missed
See my sisters the SlayerNow were partyin
That's what its all about
