

# How You Live Turn Up The Music

## Point Of Grace

Wake up to the sunlight  
With your windows open  
Don't hold in your anger or leave things unspoken  
Wear your red dress  
Use your good dishes  
Make a big mess and make lots of wishes  
Have what you want  
But want what you have  
And don't spend your life lookin' back[Chorus]  
Turn up the music  
Turn it up loud  
Take a few chances  
Let it all out  
You won't regret it  
Lookin' back from where you have been  
Cause it's not who you knew  
And it's not what you did  
It's how you live So go to the ballgames  
And go to the ballet  
And go see your folks more than just on the holidays  
Kiss all your children  
Dance with your wife  
Tell your husband you love him every night  
Don't run from the truth  
Cause you can't get away  
Just face it and you'll be okay[Chorus] Oh wherever you are and wherever you've been  
Now is the time to begin So give to the needy  
And pray for the grieving  
E'en when you don't think that you can  
Cause all that you do is bound to come back to you  
So think of your fellow man  
Make peace with God and make peace with yourself  
Cause in the end there's nobody else[Chorus] Cause it's not who you knew  
And it's not what you did  
It's how you live
