

# The Fault In Our Stars

## Bloom

The weight  
of a simple human emotion  
weighs me down  
more than the tank ever did  
The pain  
it's determined and demanding  
to ache, but I'm okay . . . And I don't want to let this go  
I don't want to lose control  
I just want to see the stars with you  
And I don't wanna say goodbye  
someone tell me why  
I just want to see the stars with you  
You lost, a part of your existence  
in the war, against yourself  
oh, the lights,  
they light up in lights of sadness  
telling you, it's time to go  
And I don't want to let this go  
I don't want to lose control  
I just want to see the stars with you  
And I don't wanna say goodbye  
someone tell me why  
I just want to see the stars with you  
Don't give it up just yet stay grand  
for one more minute, don't give it up  
just yet stay grand  
Don't give it up just yet stay grand  
for one more minute, don't give it up  
just yet stay grand  
Don't give it up just yet stay grand  
for one more minute, don't give it up  
just yet stay grand  
And I don't want to let this go  
I don't want to lose control  
I just want to see the stars with you  
And I don't wanna say goodbye  
someone tell me why  
I just want to see the stars with you  
With you
