

# Ashes of Eden

## Breaking Benjamin

Will the faithful be rewarded  
When we come to the end  
Will I miss the final warning  
From the lie that I have lived  
Is there anybody calling  
I can see the soul within  
And I am not worthy  
I am not worthy of this Are you with me after all  
Why can't I hear you  
Are you with me through it all  
Then why can't I feel you  
Stay with me, don't let me go  
Because there's nothing left at all  
Stay with me, don't let me go  
Until the Ashes of Eden fall Will the darkness fall upon me  
When the air is growing thin  
Will the light begin to pull me  
To its everlasting will  
I can hear the voices haunting  
There is nothing left to fear  
And I am still calling  
I am still calling to you Are you with me after all  
Why can't I hear you  
Are you with me through it all  
Then why can't I feel you  
Stay with me, don't let me go  
Because there's nothing left at all  
Stay with me, don't let me go  
Until the Ashes of Eden fall (Don't let go)  
Why can't I hear you  
Stay with me, don't let me go  
Because there's nothing left at all  
Stay with me, don't let me go  
Until the Ashes of Eden fall  
Heaven above me, take my hand  
Shine until there's nothing left but you  
Heaven above me, take my hand  
Shine until there's nothing left but you
