I Feel Better All Over

Ferlin Husky

Well I feel better all over more than anywhere else baby when I'm out with you
Well I feel better all over more than anywhere else when you kiss me like you do
Well am as wild as a buck everytime you cause me up
You sure make me feel like a wheel
Well I feel better all over more than anywhere else that's exactly how I feel
[steel - fiddle]
Oh I feel better all over more than anywhere else
When you whisper sweet nothings in my ear
Oh I feel better all over more than anywhere else honey anytime that you're near
Well my heart beats double time when you hold your hand in mine
You sure is a wonderful deal
Well I feel better all over more than anywhere else that's exactly how I feel
Oh that's exactly how I feel
