

# No Spoken Word

Stevie Nicks

I was just that old  
That August dark, dark day  
Swear that you never saw her face  
Swear that you never heard her say No spoken word  
No small command  
What was it she wanted?  
They say she had everything No spoken word  
No small command  
What was it she wanted?  
They say she had everything What shall I do?  
What shall I say?  
Should I say, oh, all the things  
That I'd like to say to you? No spoken word  
No small command  
What was it she wanted?  
They say she had everything  
Let's make a deal here Ooh, for one night  
Well baby, you fill the night with the  
Wind and the rain and the water Oh, for one night  
Well, just for one night  
You know that  
Well, that disastrous sound Now it will make me wiser  
He says, and it will make you look  
She says, look out  
I don't know how to learn  
From the pages of a book Well, I either say too much  
Or I, I don't say enough  
Well, I play too hard  
Still I'm not tough enough  
What was it she wanted?  
They say she had everything No spoken word, oh  
No small command  
What was it she wanted?  
They said she had everything Ooh, come around tonight, indecent  
Well, ah, ha come around  
Tonight, indecent baby, well  
You fill the room with the rain and the wind and the water If you tell me  
One more time  
Oh baby, take it easy

Well, you won't see me ever again  
Some people walk down that darkened street  
With the faith of a child  
And so go the faithless  
But after awhile, she says  
No spoken word  
Let's make a deal here  
No small command  
What was it she wanted?  
They said she had  
Ooh, I don't want to know about it
