# Drowning

## Quantec

No, no, no, no, no
Uh, wait

[Verse 1]
You, gotta excuse me
You see I went looking for yesterday
Thatâ€™s where I think all the good memories of you and me, went, yeah
So Iâ€™m swimming in a sea of forgetfulness
Just to get a glimpse of the you I remember, damn (Damn)

[Pre-Chorus]
I miss you cause the one Iâ€™m lookinâ€™ at right now
She, looks just like sounds just like feels just like you
But Iâ€™m so confused cause she donâ€™t seem like you
So when I get there

[Chorus]
Iâ€™ll be drowning , drowning
Iâ€™ll be drowning
In our memories
When I get there
Iâ€™ll be drowning
Iâ€™ll be drowning
Iâ€™ll be drowning
In our memories
I rather be there than here

[Verse 2]
I, donâ€™t, want a life saver (No)
But letâ€™s just gonna save this love?
If itâ€™s not that leave me right here
Let me breathe in the moments I wonâ€™t let go, of
I wish youâ€™d get back to that girl
The one that I remember as my lover, damn (Damn)

[Pre-Chorus]
I miss her cause the one Iâ€™m lookinâ€™ at right now

She, looks just like sounds just like feels just like
you
But Iâ€™m so confused cause she donâ€™t seem like you
So when I get there

[Chorus]
Iâ€™ll be drowning, drowning
Iâ€™ll be drowning
In our memories
When I get there
Iâ€™ll be drowning
Iâ€™ll be drowning
Iâ€™ll be drowning
In our memories
I rather be there than here

I rather be there than here
I rather be there than here
I rather be there than here
Than here
Than here
