

# Never Enough

**Bob James & David Sanborn**

A victim of circumstance  
You never even had a chance  
Still you try to be everything he wanted  
It's a lie. Cause he's never gonna let you in  
It's never enough. It's never enough  
You are where you belong now  
It's never enough. It's never enough  
So, just try to be strong now  
'Cause, all that you feel  
It's never, it's not enough  
It seems like we've been here before  
And still we're coming back for more  
Can't you see that he's never gonna go there  
Look at me. I would follow you anywhere  
It's never enough. It's never enough  
All the love that you're feeling  
It's never enough. It's never enough  
All the time that he's stealing  
'Cause all that you feel  
It's never, it's not enough  
A victim of circumstance  
I never even had a chance  
Still I tried to be everything you wanted  
I'll just say goodbye  
"Cause you're never gonna let me in  
It's never enough. It's never enough  
I am where I belong now  
It's never enough. It's never enough  
And I'll try to be strong now  
"Cause all that I feel  
It's never enough  
No, it's never enough now  
It's never enough  
It's never, it's not enough
