

# You Had a Bad Day

Daniel Powter

Where is the moment we needed the most?  
You kick up the leaves and the magic is lost  
They tell me your blue skies fade to grey  
They tell me your passion's gone away  
And I don't need no carryin' on You stand in the line just to hit a new low  
You're faking a smile with the coffee to go  
They tell me your life's been way off line  
You're falling to pieces every time  
And I don't need no carryin' on Cause you had a bad day, you're taking one down  
You sing a sad song just to turn it around  
You say you don't know, you tell me don't lie  
You work at a smile and you go for a ride You had a bad day, the camera don't lie  
You're coming back down and you really don't mind  
You had a bad day  
You had a bad day Well you need a blue sky holiday  
The point is they laugh at what you say  
And I don't need no carryin' on You had a bad day, you're taking one down  
You sing a sad song just to turn it around  
You say you don't know, you tell me don't lie  
You work at a smile and you go for a ride You had a bad day, the camera don't lie  
You're coming back down and you really don't mind  
You had a bad day  
Mmm, on a holiday Sometimes the system goes on the blink  
And the whole thing turns out wrong  
You might not make it back and you know  
That you could be well oh that strong  
And I'm not wrong So where was the passion when you need it the most?  
Oh you and I  
You kick up the leaves and the magic is lost Cause you had a bad day, you're taking one down  
You sing a sad song just to turn it around  
You say you don't know, you tell me don't lie  
You work at a smile and you go for a ride You had a bad day, you've seen what you like  
And how does it feel for one more time?  
You had a bad day  
You had a bad day Had a bad day  
Had a bad day  
Had a bad day
