

Yer Old

Reef

Hide away boys you're no longer in favor
You're yesterdays news and no longer the flavor
You're washing my mouth, now you shining my shoes
Don't need me the paper to read me the news, oh noYer old, yer old, yer old, yer old, yer old, yeah
Yer old, yer old, yer old, yer oldSpeak ill of my boys and I'll take you to pieces
So come face to face if you think I don't mean it
You're swanning about like you're nobody's fool
You've shown me the place but I don't want to go, oh noYer old, yer old, yer old, yer old, yer old
Yer old, yer old, yer old, yer old
Ah yeah, alright, come on in, sing it upSo what you gonna do?
I wish you would come and tell me
So what you gonna do?
You're the problem, now you solve itSo what you gonna do?
I'm the judge and your opinion
So what you gonna do?Hide away boys you're no longer in favor
You're yesterdays news and no longer the flavor, yeahYer old, yer old, yer old, yer old, yer old, yeah
Yer old, yer old, yer old, yer old
Yer old, yer old, yer old, yer old, yer old, yeah
Yer old, yer old, yer old, yer oldNow hear me it were the easiest day of my life
It were the easiest day of my life
