

# So Not My Baby (Live in Lake Charles, LA)

Josh Turner

There's so many things  
That I need to do  
Seems like nothing gets done  
When I'm feelin so blue  
And it's so hard to handle this absolute truth  
That you're so not around and I'm so into you(chorus)  
You're so not my baby  
It's making me crazy  
It's breakin my heart  
And my world half in two  
You're so not my baby  
Hey I should be okay  
But ya know what  
I'm so not  
Over you I keep ringin' and ringin' your old  
Telephone seems like the  
More that it rings  
The more that you're gone  
I oughta hang up and just let you go  
But a voice in my heart  
Keeps sayin' hello(chorus)  
You're so not my baby  
It's making me crazy  
It's breakin my heart  
And my world half in two  
You're so not my baby  
Hey I should be okay  
But ya know what  
I'm so not  
Over you I've been searchin and searchin but it  
Just get's me down  
Cause your love and affection is  
Nowhere to be found(chorus)  
You're so not my baby  
It's making me crazy  
It's breakin my heart  
And my world half in two  
You're so not my baby  
Hey I should be okay

But ya know what  
I'm so not  
Over youKnow what  
I'm so not  
Over youSo not my babySo not my baby
