Joanni

Kate Bush

All the banners stop waving
And the flags stop flying
And the silence comes over
Thousands of soldiers
Thousands of soldiers

Who is that girl? Do I know her face?
Who is that girl?

Joanni, Joanni wears a golden cross
And she looks so beautiful in her armour
Joanni, Joanni blows a kiss to God
And she never wears a ring on her finger

All the cannon are firing
And the swords are clashing
And the horses are charging
And the flags are flying
And the battle is raging
And the bells, the bells are ringing

Who is that girl? Do I know her face?
Who is that girl?

Joanni, Joanni wears a golden cross
And she looks so beautiful in her armor
Joanni, Joanni blows a kiss to God
And she never wears a ring on her finger
Joanni, Joanni, Joanni, Joanni blows a kiss to God
And she just looks beautiful in her armor
Beautiful in her armor
