

A Vision They Shared

Mandragora Scream

[King Seal & Queen Instria]

I feel, rapin' all my mind,

Freezin' ghosts dancin' around

Cryin' through hell drives me insane

While my soul burns in time

You enjoy my death-I'll curse your soul with my spells

No Prince from your womb-I'll wretch you and all your dreams

Oh! your sinful lust-Thirteen nymphs will tear you apart

My breath won't die-My Nymph's white eyes

I'll bring the powers shinin' at night

Invoke breeze of black storm

Thirteen nymphs will show white eyes

Ebony vultures will fly

You enjoy my death-I'll curse your soul with my spells

No Prince from your womb-I'll wretch you and all your dreams

Oh! your sinful lust-Thirteen nymphs will tear you apart

My rhymes will return-Your last voice is melody

They will breed your son-Three tremblin' vultures will star

Mylast hero- No one will sing
