

# The Spark

## Tenth Avenue North

Is this the spark where it begins  
We find freedom from our sins  
Is this the place I finally trust  
Your presence is enough to  
Speak light in my darkness  
Speak light until I know  
There's strength for my weakness  
Slow down, oh my soul

You are where my soul finds rest  
You are where I lay my head  
Your grace lets me catch my breath  
Lets me fall into Your arms again

God, my life I shall not want  
Lead me where Your waters run  
You yourself and nothing less  
All my life, I'll fight to rest  
Speak light in my darkness  
Speak light until I know  
There's strength for my weakness  
Slow down, oh my soul  
Slow down, my soul

Tell me Your love will never fail me  
I'm safe here in Your mercy  
You're keeping me alive

I need to feel Your peace within me  
Calm the fears that haunt me  
Clear away the lies

Tell me Your love is in my bloodstream  
It's burning up my heartbeat  
Bringing me Your light

Again  
Again and again  
Again and again
