

Never Felt This Way

[Alicia Keys](#)

Huh, huh There will never come a day, you will never hear me say
That I want or need to be without you
I want to give my all, baby, just hold me, simply control me
Because your arms they keep away the loneliness When I look into your eyes then I realize
All I need is you in my life, all I need is you in my life
'Cause I never felt this way about lovin', no
Never felt so good, baby, never felt this way about lovin'
It feels so good
