Never Felt This Way

Alicia Keys

Huh, huhThere will never come a day, you will never hear me say

That I want or need to be without you

I want to give my all, baby, just hold me, simply control me

Because your arms they keep away the lonelinessWhen I look into your eyes then I realize

All I need is you in my life, all I need is you in my life

'Cause I never felt this way about lovin', no

Never felt so good, baby, never felt this way about lovin'

It feels so good
