# Everything Dies

## Carnal Forge

All you have left is a wish to die and all you see is black
Your tortured soul cries out for a reliefYou can't go on like this, you'll hit the wall, scared to deathI gave you life, I trashed your wall of self-defense
Now you have nothing, only the fear remainsThe fear of dying, your long gone disease
Everything dies, rises and fades away againSacrifice, you paid your dues with your own blood
Everything dies, you took your life just like you knew I would
Crucified, nailed like christ, no sacrifice, everything diesAll you have left is a wish to die and all you see is black
Your tortured soul cries out for a reliefNow you are hanging in a rope, cold and naked,
A few seconds away from Hell,
Finally your life is gone, at last your spirit is home,
There's nothing you can do
There's nothing left, just black holesSacrifice, you paid your dues with your own blood
Everything dies, you took your life just like you knew I would
Crucified, nailed like christ, no sacrifice, everything dies
