

# What If?

## Guttermouth

Advisory - the following lyrics contain explicit language:

Dateline the early 1970's  
the now world famous rock quartet  
the doors, lead singer James Morrison  
has recently died  
while down but certainly not out  
the surviving members desparetly  
tried to piece together their broken lives  
Every option was considered, a new name  
The Windows, The Walls, even the Door Knobs  
Ultimately, the band opted to carry on  
under the original doors name  
auditioning new singers  
One young hopeful, a struggling art  
student from Athens, Georgia,  
Fred Schnider, who went on to front  
The hugely successful, B-52's tried  
our for this position  
The lyrical style of young Schnider,  
more known for his quick wit and  
imprompto jams was hard fought  
to match the well structured  
melodies of the classic Doors numbers  
Lets listen in.....  
Love me 2 times  
Love me 3 times  
I've got me a car  
It seats about 20  
so hurry up and bring  
your juke box money  
gloria  
gloria  
Your livin in your own private Idaho

livin in your own private Idaho  
this is the end  
this is the end  
wammy kiss me wammy hug  
Revitalize me give me wammy love yea!  
Light my fire  
We couldn't get much higher  
He was in a jam  
He's in a giant clam
