How Can I Be Sure

Shelby Lynne

How can I be sure
In a world that's constantly changin'?
How can I be sure
Where I stand with you?Whenever I
Whenever I am away from you
I want to die
'Cause you know I wanna stay with youHow do I know?
Maybe you're trying to use me
Flying too high, don't confuse me
Touch me but don't take me downWhenever I
Whenever I am away from you
My alibi is tellin' me
That I don't care for you
Maybe I'm just hanging around
With my head up, upside downIt's a pity, oh, yeah
I can't seem to find
Somebody good as wonderful baby as you
How can I be sure? I really, really, wanna know
I really, really, really, wanna know, yeahHow's the weather?
Whether or not, we're together
Together we'll see it much better
I love you, I love you forever
You know where I can be foundHow can I be sure
In a world that's constantly changing?
How can I be sure?
I'll be sure with you
