

# In The Round

## The Cardigans

I am young and I'm alive  
I want to talk about things  
I am young and I own my life  
I need to talk about it, baby  
I am one but I asked for two  
I didn't get anything  
This puppet's lonely without you  
It's tough to walk without strings  
I do my dance in the round  
I'm right on track but this state is frail  
You slip out and redial  
I do my dance in the round  
So people clap your hands  
Clap your hands

I wanna do it right this time  
I wanna step in time  
I wanna do it right this time, yeah!  
Clap your hands  
I gotta get it right this time  
I wanna step in time  
I wanna do it right this time  
I do my dance in the round

I am young, coming at you live  
People gonna talk about me  
When I'm done, please hang me high  
For everybody to see  
'Cause I do my dance in the round  
So people clap your hands  
I wanna get it right  
I'm dyin' to get it right  
I wanna get it right  
I'm dyin' to get it right
