

Role Models

FANGCLUB

Something's happening to me
Every time I cross the street
Feels a lot like destiny
But I don't care about that I'm making you a habit
It's taking all I have, yeah
And when I hear that sound
I just don't care about it I don't care about that
Oh
Addictive personalities
Attract the opposite to me
I'll keep them buried underneath
Where I don't care about that
And when they get loco, there's always more tomorrow
Role models
Role models
How did you get so hollow? I don't care about that
I don't care about that
I don't care about that I'll never
I'll never forget
Whatever
Whatever you said
I'll never
I'll never forget
Whatever
