

Trouble

[Ray LaMontagne](#)

Trouble
Trouble, trouble, trouble, trouble
Trouble been doggin' my soul
Since the day I was bornWorry
Worry, worry, worry, worry
Worry just will not seem to leave
My mind aloneWell, I've been saved by a woman
I've been saved by a woman
I've been saved by a womanShe won't let me go
She won't let me go now
She won't let me go
She won't let me go nowTrouble
Oh, trouble, trouble, trouble, trouble
Feels like every time I get back on my feet
She come around and knock me down againWorry
Oh, worry, worry, worry, worry
Sometimes I swear it feels like
This worry is my only friendWell, I've been saved by a woman
I've been saved by a woman
I've been saved by a womanShe won't let me go
She won't let me go now
She won't let me go
She won't let me go nowOh, ah, oh
She good to me now
She gave me love and affection
She good to me now
She gave me love and affectionI said I love her
Yes, I love her
I said I love her
I said I loveShe good to me now
She good to me
She good to me
