Club C'est la Vie

Sasha

They called her Rita but she had another name
She danced the Luca and the boys she'd entertain
With just one look at you you're under her spell all night, all nightAnd as the curtains opened Rita hit the floor
A smile so wild that all the boys would ask for more
She opened up her arms and welcomed everyone inside, insideClub C'est La Vie
The place to be where you can live your fantasy
The energy will get you high the kicks are free
At Club C'est La Vie, Club C'est La VieAs Rita danced, the place would lift up off it's feet
And all the crashers would be left out on the street
For just one look at her they'd stand in a line all day, they say, uhI stared across the floor and then I caught her eye
She moved towards me and I started to see why
Everybody came for miles just to see her show, you knowClub C'est La Vie
The place to be where you can live your fantasy
The energy will get you high the kicks are free
At Club C'est La Vie, Club C'est La VieClub C'est La VieAs the light comes up and night turns into day
Rita disappears still dancing all the way
And all boys will tell you she's in their hearts tonight, tonightClub C'est La Vie
The place to be where you can live your fantasy
The energy will get you high the kicks are free
At Club C'est La Vie, Club C'est La VieClub C'est La Vie
