

# The Right Stuff

## Noel Gallagher's High Flying Birds

Out of the blue I heard an angel say  
Give me your soul and I'll be on my way  
You and I got the right stuff  
You and I got the right stuff Are you a sleeper or the mortal soul?  
Are you the devil with a heart of gold?  
You and I got the right stuff  
You and I got the right stuff When your heart gets shattered  
And your jeans get frayed  
and your baby sings the morning at the end of the day When your heart gets shattered  
And your jeans get frayed  
and your baby sings the morning at the end of the day You and I got the right stuff  
You and I got the right stuff  
You and I got the right stuff  
You and I
