Countless Nights

Joseph Hein

Nah na na na na nahhh
Nah na na na na nahhh
Nah na na na na nahhh
Nah na na na na nahhh

In the countless nights
Nobody told you bout the bad things cominâ€™
in the countless nights
No one can tell you bout the bad things cominâ€™
In the countless nights
Does anybody want to be the one to care
Does anybody recognize
Does anybody want to be the one to care
Does anybody recognize
That life takes you by surprise
Sometimes we die sometimes it just seems funny
Life takes you by surprise
Inside a dream has took new becomings
Life takes you by surprise
Now they say thatâ€™s life
Whereâ€™s my emotion?
Most of the time
In case I lose my mind
to just lose sight
do i need a potion
all of the time

All I can say is maybe donâ€™t get lonesome
on the day that the bluebirds fly away
baby don't get lonesome
on the day that the bluebirds fly away

Nah na na na na nahhh
Nah na na na na nahhh
Nah na na na na nahhh
Nah na na na na nahhh
