

Wwoz

Better Than Ezra

Wwoz is on in stereo
A string of flowers haloed around your head
Candle light
The ceiling fan
Curtains blow away and back again
Back again Don't wake me, I think I'm in a dream Sleeping is easy
I used to lay in bed for hours
I've waited a lifetime now maybe I'll learn Calling back and forth through heavy
Barges sound their warnings in the dark
Peace comes like a trusted friend
As it starts to rain again fall away
Fall away So don't wake me I think, I'm in a dream Sleeping is easy
I used to lay in bed for hours
I've waited a lifetime now maybe I'll learn Sleeping is easy
I used to walk the streets for hours
I've waited a lifetime now maybe I'll learn Let go of your fear, let's grow old together
Find a place along the way
Let's reel through the years
Each makes the other better
But what thoughts can I call allies
When this circle of ribs keeps working on its own? Sleeping is easy
I used to lay in bed for hours
I've waited a lifetime now maybe I'll learn Sleeping is easy
I used to walk the streets for hours
I've waited a lifetime now maybe I'll learn, maybe I'll learn Wwoz is on in stereo
Well it's on in stereo
Well it's on in stereo
Well it's on in stereo
