

# **Ticker Tape (feat. Carly Simon & Kali Uchis)**

## **Gorillaz**

Is it resolution?  
Or black and white flying balloons?  
Floating off, too colourful  
Or is it separation  
You put into your coats and sang  
Waiting for the world to start again  
Ticker tape  
Ticker tape  
Tick-tick-ticker tape  
Is this how you're feeling?  
Falling with the world tonight  
Cauterized and beautiful  
Slide the light  
Is this how you're healing?  
Out there in the paradigm  
Waiting for a cavalcade to come again  
Ticker tape  
Ticker tape  
Tick-tick-ticker tape  
Ticker tape  
Black light glints with colour  
Sudden long and horizontal outlines the star  
A sudden draft and quick chill  
A single snowflake falls  
And that is all  
That is all  
The world's bass hidden under falling wind  
Waiting for the world to start again  
Waiting for the world to start again  
Waiting for the world to start again  
Waiting for the world again  
'Cause we're workin' through it  
Workin' through your nightmare  
Are you leaving for the precipice  
Watch the worker, please  
As they're working for it  
Working through the night shift  
And I'm workin' through it  
Workin' through the nightmare  
Coming back to ghosts inside  
Watch the worker, please  
As they're working for it  
Working through the night shift  
'Cause we're workin' through it

Workin' through the nightmare  
Watch the worker, please  
As they're working for it  
Working through the night shift  
Yeah they're workin' through it  
Workin' through the nightmare  
(And I'm hoping for a little juice)  
Watch the worker, please  
As they're working for it  
Working through the night shift
