

Let Me See

Usher

Usher, baby
I hear you, yeah
Rock with me
Hey girl, I'm debating, if I should take
you home
Should I take you home?
I don't mean to keep you waiting
But I just gotta know
If you're ready
She says she wanna take her skirt off
Be my guest!
I decided to take my shirt off
And show my chest!
And we been sipping on that merlot
So you know what's next
Perfect intermissions, switching
positions
We so expensive oh! You can say it all night long
That you couldn't wait to get me home
alone
What you gon' do to me
Don't talk about it, be about it
Let me see, let me see, let me see Girl I can't wait to get you home
Talk a good game mate, come on
Holler 'bout what you gon' do to me
Don't talk about it, be about it
Let me see, let me see, let me see I've been anticipating
What you would do to me
What you gon' do to me
Sex Ed-Education

Hands on when you're with me
Give your heart to me, yeah
She says she wanna take her skirt off
Be my guest!
I decided to take my shirt off
And show my chest!
And we been sipping on that merlot
So you know what's next Working intermissions, switching

positions

We so explicit oh!

You can say it all night long

That you couldn't wait to get me home
alone

What you gon' do to me

Don't talk about it, be about it

Let me see, let me see, let me see Girl I can't wait to get you home

Talk a good game mate, come on

Holler 'bout what you gon' do to me

Don't talk about it, be about it

Let me see, let me see, let me see

[Rick ross - rap verse]

You can say it all night long

Girl I can't wait to get me home

alone

What you gon' do to me

Don't talk about it, be about it

Let me see, let me see, let me see Girl I can't wait to get you home

Talk a good game mate, come on

Holler 'bout what you gon' do to me

Don't talk about it, be about it

Let me see, let me see, let me see
