

When Did You Stop Loving Me

[George Strait](#)

When did you stop lovin' me?
How long have I been a memory?
I've got to know for my own sanity
Tell me when did you stop lovin' me? Was it that night that you stayed out until dawn?
You know that night has haunted me for so long
Or was your love already cold?
Tell me please I've got to know
Darlin' when did you stop lovin' me? There was a time when you worshipped where I stood
Heaven knows I'd bring it back if I could
Now I can tell when we make love it ain't me you're thinkin' of
Tell me when did you stop lovin' me?
And darlin', when did you stop lovin' me?
