Any foolish thing

Michael McDonald

I'm not used to saying things like that
'Cause all my best intentions fall so flat
But when it comes down to it
My love for you knows no limit, darling
I'll say, I'll doAny foolish thing to call on your affection
Any foolish thing to show how much I care
Any foolish thing that we say might come about
Don't take it lightly, girl, 'cause it could just work out
That this love won't be any foolish thingI know you don't believe in every line you hear
Forgive me if I'm sounding too sincere
But I can't take chances, you might slip away
While I wait for the right time
And place to sayAny foolish thing to call on your affection
Any foolish thing to show how much I care
Any foolish thing that we say might just come true
Don't take it lightly, girl, I'd bet it all on you
And that this love won't be any foolish thingCould turn you away, can lead you astray
Or shadow this love I feel
Anything I say might make you see
That deep in my heart
Your love is safe with meAny foolish thing that we say might come about
Don't take it lightly, girl 'cause it could just work out
That this love won't be any foolish thingAny foolish thing
Any foolish thing
