

Pour Out A Little Liquor

2Pac

Yeah

Pour out a little liquor for your homies nigga
This one here go out to my nigga Mike Coolie (Light up a fat one for this one)
How you come up man? I started young kickin' dust and livin' rough
You watch you mouth around my mama you couldn't cuss man
I had a down ass homie though; we ran the streets
And on the scene at the age of fourteen huh
I packed a nine and my nigga packed a forty-five
We drinkin' forties, lil' shorties livin' naughty lives
You couldn't stop us, long as I got my glock, fuck! The coppers
Hangin' on the block, slangin' rocks and makin' profits
I couldn't fuck with the school life, I was a fool
I'll play that motherfucker for a toll man
Tonight'll be the night that's what we figurin'
Hustlin' in the rain felt no pain 'cause we drinkin'
Playin' them hoes like manure
First let my nigga fuck and then I fuck that's how we do it (ha ha!)
It's two niggas comin' up out the hood
Livin' life just as good as we could
But since a bitch can't be trusted
Hoes snitched to the po-lice, now my nigga's busted
The cops whoopin' on my nigga in jail
Tryin' to get a motherfucker to tell
And couldn't nobody diss my nigga
Damn, I miss my nigga
Pour out a little liquor! "My cousin died last year and I still can't let go"
"My cousin died last year and I still can't let go"
"My cousin died last year and I still can't let go"
"My cousin died last year and I still can't let go" This goes out to all you so called G's
Pour out a little liquor for your real motherfuckin' partners
Don't let the drink get like that y'all, huh
Pour out a little liquor
Pour out a little liquor
What's that you drinkin' on? Drinkin' on gin, smokin' on blunts and it's on
Reminisce about my niggas, that's dead and gone
And now they buried, sometimes my eyes still get blurry
'Cause I'm losin' all my homies and I worry
I got my back against a brick wall, trapped in a circle
Boxin' with them suckers til my knuckles turn purple

Mama told me, "Son there'll be days like this"
 Don't want to think so, I hit the drink and stay blitzed
 We had plans of bein' big time G's
 Rolling in marked cars, movin' them keys
 And now I roll up the window, blaze up some indo
 Get to' down for my niggas in the pen, yo
 Your son's gettin' big and strong
 And I'd love'm like one of my own, til you come home and
 The years sure fly with the quickness
 You do the time, and I'll keep handlin' yo' business
 That's the way it's supposed to be
 Homie, if it was me, you'd do the shit for me
 Homie, I can remember scrapin' back to back
 Throwin' dogs on them suckers runnin' up on this young hog
 I hope my words can paint a perfect picture
 And let ya know how much a nigga miss ya
 Pour out some liquor!"My cousin died last year and I still can't let go"Look at you
 Drinkin' got you where you don't even give respect to your partners
 Pour out some liquor nigga!
 It ain't like that
 Tip that shit over
 Pour out a little liquor!"My cousin died last year and I still can't let go"
 "My cousin died last year and I still can't let go"
 "My cousin died last year and I still can't let go"
 "My cousin died last year and I still can't let go"This for my nigga Madman
 Dagz, Hood, Silk yeah
 A little liquor for my homies y'all
 We in this motherfuckin' piece, yeah!
 Pour out a little liquor
 Young Queen, yeah!
 This one goes out to all my mack partners
 Back in the motherfuckin' Bay
 Oaktown still in the motherfuckin' house (Pour out a little liquor)
 My nigga Richie Rich, Gov'na (I don't care, Nighttrain, Henessey)
 All my real motherfuckin' partners (Pour out a little liquor)
 And all my real partnas in Marin, fuck you busta ass niggas
