

# The World Seems Difficult

## Mental As Anything

How does a man get the love of a woman?  
Or a woman of a man?  
How does a man tell his feelings to a woman?  
You know it's hard to understand. The world seems difficult to me  
It's such a shame to see  
The loneliness that lays to waste  
Both you and me. Where can I find a lover to protect me?  
Not run away with my mind.  
How will I know that she won't reject me?  
Somebody give me a sign. The world seems difficult to me  
It's such a shame to see  
The loneliness that lays to waste  
Both you and me. And if I'm lying, lying down  
I'm confused.  
And if I stand here long enough  
I just might find myself getting tough  
And amused. And if I stand here long enough  
I just might find myself getting tough  
And amused. How does a man get the love of a woman?  
Or a woman of a man?  
How does a man tell his feelings to a woman?  
You know it's hard to understand. The world seems difficult to me  
It's such a shame to see  
The loneliness that lays to waste  
Both you and me. The world seems difficult to me  
It's such a shame to see  
The loneliness that lays to waste  
Both you and me. The world seems difficult to me  
It's such a shame to see  
The loneliness that lays to waste  
Both you and me. The world seems difficult to me  
It's such a shame to see  
loneliness that lays to waste  
Both you and me.
