Trust

Saga

Trust
You find it hard not to give it out
Trust
You find it harder
Tryin' to live it out day after day
Trust
You spend your life tryin' to get it
Trust
But when you do you can bet
There's a price that you'll pay
Trust
What we need is a lot more
Trust
Even if it means a little more for sale
Trust
You know you can't do without a little
Trust
You're smack dab
In the middle of a paper trailStanding alone in the dark
Still searching for some kind of spark[Chorus]
Trust yourself and in good time
Trust becomes your state of mind
When trust is offered, it's seldom free
If there's no-one out there
You can trust in me, put your trust in me
'Cause when trust is offered, it's seldom free
If there's no-one out there, put your trust in meTrust
We can all use a bit more
Trust
But only if it fits form, time and a place
Trust
Give it out take it back and
Trust
Pretty soon you'll have a knack for leaving no trace
Trust
Just as long as there's a limit
Trust
You keep eye your on the minimum and what's at stake
Trust

If you're lookin' for someone's
Trust
You know there's gotta be a little more give and take[Chorus]Trust
If you're lookin' for someone's
Trust
You know there's gotta be a little more give and take
