

# Never Tear Us Apart

**INXS**

Don't ask me  
What you know is true  
Don't have to tell you  
I love your precious heartI, I was standing  
    You were there  
    Two worlds collided  
And they could never tear us apartWe could live for a thousand years  
    But if I hurt you  
    I'd make wine from your tearsI told you  
    That we could fly  
    'Cause we all have wings  
But some of us don't know whyI was standing  
    You were there  
    Two worlds collided  
And they could never ever tear us apartI, I was standing  
    (Don't ask me)  
    I was standing  
    (You know it's true)  
    You were there  
    (Worlds collided)  
    Two worlds collided  
    (We're shining through)  
And they could never tear us apartYou, you were standing  
    (Don't ask me)  
    (You know it's true)  
    I was there  
    (Worlds collided)  
    Two worlds collided  
    (We're shining through)  
And they could never tear us apart  
    I, I was standing
