[Lil' Scrappy]

My brains is taking in too much pain

I'm about to explode first and then take names
But it's cool little shorty don't be so alarmed
I learned to bruise nigga without jabbing the arm
I don't play with motherfuckers 'cause this shit be real
Make you hold your breath longer than a navy seal
And them hoes will leave your ass dead in the path
Like the way you came nigga your dick from your ass
I break bones with my niggas
Fuck hoes with my niggas
How the fuck you think I feel about disforming your figure
It's a close casket
For them hating bastards
It's some g's that's real and some messed up fagots
Who you talking to bitch?
What you gonna' do trick?
When it's obvious to see that you ain't gonna do shit
Lil' Scrappy the Prince and I ain't taking no chump
I'm a quiet krunk nigga and fuck being the punk
