I Need

TGT

[Verse 1: Tank]
I hope you see my heart from here,
And I hope that this will make us strong,
I hope the truth is made you clear,
And I hope that we can learn and move on,
This time the stakes are way too high,
I see what Iâ€™m about to lose,
Itâ€™s time to let the old me die,
Mistakes or love I gotta choose.

I know I said that I was gonna change a long time ago,
Thatâ€™s what I said (I said, I said),
Guess it takes some dirt in order for a real man to grow.

[Hook:]
Now I know,
It ainâ€™t ever worth your heart,
And it ainâ€™t ever worth your tears,
And it ainâ€™t ever worth those scars that might not heal,
I need, I need, I need (you),
I need, I need, I need (you),
I need, I need, I need (you),
I need (now my love), I need (now I know), I need.

[Verse 2: Tyrese]
Tired of being in the same place,
I done ran out of ways to say Iâ€™m sorry,
Instead of running a judge on the same case,
Tired of being dead last in the same race,
Iâ€™ll admit it,
Probably shouldâ€™ve did it,
Cause itâ€™s breaking down,
I donâ€™t know how to fix it,
Weâ€™ve been here before,
Donâ€™t know how to act,
If I let you walk out the door,
I know you ainâ€™t coming back baby.

I know I said that I was gonna change a long time ago,
Thatâ€™s what I said (I said, I said),

Guess it takes some dirt in order for a real man to grow.

[Hook:]
Now I know,
It ainâ€™t ever worth your heart,
And it ainâ€™t ever worth your tears,
And it ainâ€™t ever worth those scars that might not heal,
I need, I need, I need (you),
I need, I need, I need (you),
I need, I need, I need (you),
I need (now my love), I need (now I know), I need.

[Verse 3: Ginuwine]
I canâ€™t let you go,
Iâ€™m in love,
I know the things I did was wrong,
Please girl let me make it up,
And your the best Iâ€™ve ever had,
Baby youâ€™re all that I need,
You gave me everything,
And I took it for granted,
So can we go (where we can be all this in love)
Somewhere way too far from giving up (if wrong is wrong),
If wrong is all Iâ€™ve never been,
But all I want is love again (with you, you, you, you),
And baby I know.

[Hook]
Now I know,
It ainâ€™t ever worth your heart,
And it ainâ€™t ever worth your tears,
And it ainâ€™t ever worth those scars that might not heal,
I need, I need, I need (you),
I need, I need, I need (you),
I need, I need, I need (you),
I need (now my love), I need (now I know), I need.
