So Irate

Delilah Official

Take my hand, hold on tight
Don't feel shame if you like
You and I, we are safe,
So high to play these games with me
When you give me so irate
Make me wait for you
The time it takes to hate always fades too soon
Cause I could tell that you want me when...
So why did you make me wait
Keep me so irate,
So irate, so irate
Boy you!
You're so irate, so irate
Boy you!
I'll start fight for...
Seems like I'm half away to fall from you
You always seem to keep me so irate

Make me wait for you
The time takes to... always fades too soon!
Cause I can tell that you want me when...
So I... keep me so irate,
So irate, so irate
Boy you!
You're so irate, so irate
Boy you!
(Kiss me so) so irate
(Kiss me so) so irate
Boy you!
(Kiss me so) so irate
(Kiss me so) so irate
Ay, ay, ay, ay
(Kiss me so) so irate
(Kiss me so) so irate
(Boy you)
(Kiss me so) so irate
(Kiss me so) so irate
(Boy you)
